

# GAP ANALYSIS FOR DOMESTIC VIOLENCE

Prepared by DES-Community Services Administration, July 1999

- **Three out of every four women and their children who are victims of domestic violence and seeking shelter are turned away due to a lack of space.**
- The following and the attached information depicts the unmet need gap for victims of domestic violence (DV) **who are attempting** to receive services.
- Funding for DV services continues to be inadequate. In addition, SSBG, which is over 11 % of the total funding received by DV shelters from CSA, is targeted for reduction and elimination.
